

EXHIBIT GUIDE

FOR SHOWS, EVENTS & OFFICE DECOR

WHY EXHIBITING WORKS

Exhibitions aren't just for big brands with big budgets. For small and medium-sized businesses, the right event can be a powerful driver of **sales, growth** and long-term **visibility**. It's a chance to put your business directly in front of people who are actively looking for solutions – and to make connections that turn into real opportunities.

When you exhibit, you're doing more than showing up. You're building your **reputation**, reinforcing **trust** and creating a **memorable first impression** that reflects the quality of what you do. A **well-designed stand, clear messaging** and **professional branding** can instantly **set you apart from competitors** and give prospects confidence in choosing you.

Of course, **budgets matter**. Every decision needs to work hard, from how your stand looks to how your team presents themselves. That's where planning makes the difference. With the right approach, exhibiting can deliver **strong returns** without unnecessary spend – helping you **maximise impact** while staying in control of costs.

We help businesses plan for **successful events** from start to finish. From eye-catching **fabric display systems** and **professional print**, to **branded workwear** and **promotional merchandise** that keeps your business front of mind long after the event, we make it easier to exhibit with confidence. Everything works together to help you look established, credible and **ready to grow**.

BOOTHS & ARCHES

Rent a space-only stand at your next expo and pop-up one of these impressive booths – they're incredible in real life. Or use them in your office to make inspirational areas for solo work or private meetings. Both the inside and outside are printed for a full 360° experience.

FLAGS

Let's do a little experiment. On your way home tonight, count the number of flags you see. They're absolutely everywhere.

Why's that? Well, for around a hundred quid, you get a three metre high, fluttering, piece of eye catching marketing for your business. They are such great value, it's no wonder businesses are lining them up on their car park and forecourt and outside their front door. All our flags are suitable for use indoors and outdoors.
